

SAFE
REOPENING

Certificate of **Trust & Safety**

We are using **Safe Reopening Solution** to ensure a safe and healthy working conditions for our employees and customers by enabling our workforce to check their symptoms, test results and travel history prior to coming to work.

We are doing this to:

- ✓ Prevent and reduce transmission among employees, customers, and visitors
- ✓ Maintain healthy business operations, as well as
- ✓ Maintain healthy working environment

All our employees self-report at regular intervals, so that we can take steps to improve and make the workplace safer, therefore, reducing the chances of any outbreak.

We are following the necessary workplace screening protocols as mentioned in the CDC guidelines.

We, thereby, assure our workplace is COVID-19 ready.
